RESPONSE

Sir:

In response to the Office Action dated March 4, 2002, Applicants respectfully request reconsideration of the above-identified application for at least the following reasons.

REMARKS

Claims 63-71 are currently pending in the instant application.

The rejection of Claims 63-71 under the judicially created doctrine of obviousness-type double patenting over claims 1-12 of U.S. Patent No. 5,652,434 in view of Nakamura et al. (U.S. Patent No. 5,959,307, hereinafter "Nakamura '307) is respectfully traversed.

At the outset, it is noted that the instant application is a continuation of application Serial No. 09/069,240, filed April 29, 1998, which, in turn, is a continuation
